Adult Volleyball Camp FOR MEN AND WOMEN

March 25th, 26th, 27th
Friday Night,
Saturday and Sunday

Why Come to an Adult Volleyball Camp?

If you have known for years that there is a proper way to play but did not know where to learn.

If you have been playing Volleyball for years and really never taught the correct way to play.

If you have been coaching young players and do not know if what you are teaching them is the best way to teach the skills

If the offense and defense that we play, is the best for our team and the types of players we have.

I am tired of playing the OLD way.
